

The IN-VISIBLE Quiz

Which format suits us?

We are looking for...

a holistic DEI strategy.

awareness training for our organisation.

Consulting

Equal opportunities are only possible if the structures are changed. With our expertise, we support transformation towards a sustainable working culture that caters to all.

For this, we would need...

experts to introduce us to DEI topics.

materials to work internally guided and at our own pace.

Our way of being introduced to DEI topics ideally means...

Toolkit

Our interactive Toolkits enable your organisation to make DEI topics accessible to all employees and bring about long term change.

gaining knowledge by listening.

room for discussion and change of perspective.

Input

The DEI Inputs are one-hour interactive lectures that convey very basic theoretical knowledge and invite the participants to a change of perspective.

Workshop

In our trainings and workshops you have the opportunity to interactively work on important topics relating to equality, diversity and inclusion under the guidance of our experts.
